- How challenging was it in comparison to your other COMM courses this semester?

- What motivated you to watch the TLEF Optional Resources Videos?

- Please select the video components that influenced you to watch the videos the most?

- If you found the TLEF Optional Resources Videos different from other learning videos available on the Internet (e.g., Khan Academy, Crash Course on YouTube), in what ways were they different?

- Tailored to course (COMM298)
- Content (reliability, quality)
- Style (video length, step-by-step approach, interactivity)
- Diversity (student-based, challenge, learning style)
- Quality (presenters, animation)
- Easy to understand (clear explanation of content, examples, simpler)
- User friendly (easy to navigate)

Project Team

- Darren Degraaf (Faculty, Project PI)
- Caren Lombard (Faculty, Academic Support)
- Sunah Cho (Faculty Liaison, Project Manager)
- Maddie Zapach (Student, Co-Project Leader)
- Arkie Liu (Student, Co-Project Leader)
- Tracy Wong (Student, Web Developer, Tech Lead)
- Alair Ang (Student, Film Lead, Admin)
- Andrea Ngai (Student, Script Editor, Video Editing Lead)
- Rachel White (Student, Script Lead, Film Lead, Animations)
- Jon Kim (Student, Admin)
- Ethan Zapach (Student, Film Lead)
- Janice Lan (Student, Practice Problem Creator)
- Sonya Kang (Student, Practice Problem Creator)
- Trinh Nguyen (Graduate Student, SoTL Specialist, CTLT)
- Trish Varao-Sousa (Evaluation and Research Consultant, CTLT)
- Alison Myers (Research Analyst, Learning Services)
